

## Wisconsin Land Legacy Report:

*An inventory of places critical in meeting Wisconsin's future conservation and recreation needs*

---

### COMMENT FORM

(attach additional pages as needed)

- 1 ) The draft *Wisconsin Land Legacy Report* identifies 228 named Legacy Places that the public and department staff believe will be critical in meeting future conservation and recreation needs.

(a) Overall, what comments do you have regarding these Legacy Places *as a collection*?

(b) What comments do you have regarding specific Legacy Places?

Name of Legacy Place	Comments

- 2 ) The draft Land Legacy Report also identifies 7 Statewide Needs and Resources. What comments do you have about these?

- 3 ) What parts of the draft report caught your attention (either in a good or troubling way)? Why?

## Wisconsin Land Legacy Report:

*An inventory of places critical in meeting Wisconsin's future conservation and recreation needs*

---

- 4 ) Are there issues that the report should address, but doesn't?
- 5 ) We hope to develop a report that will be easy to use and that the public will turn to for information. This is your opportunity to help improve the report. With that in mind, what suggestions could you offer to improve this draft report?
- 6 ) Are there any other comments or suggestions that you would like to make about the report?

***Thank You.***
